The Board is really excited to be implementing our new website and many people have already logged in to take advantage of it. Many have paid their dues online and also set up recurring payments for ease of future payments.

An important thing to note is that dues are always for a calendar year (January – December) regardless of what month the dues are paid.

Also, it's important to know that only 1 email address per household should be used to login to the website. Once there, you can enter a second email that will be used for MailChimp notifications, but please ALWAYS LOG IN WITH THE SAME EMAIL ADDRESS.
